Welcome to Our Practice

At DeKalb Women's Specialists, our focus is comprehensive healthcare for women of all ages. We have been serving the DeKalb area for more than 25 years! We have OBGYN offices in Decatur, Lithonia and Stone Mountain. Our board certified OBGYN providers come from varying backgrounds, enabling them to meet the needs of our diverse patient population. We offer a full range of OB/GYN services including minimally invasive surgery. Expect excellent care from the staff of DeKalb Women's Specialists. All of our providers are board certified and represent over 75 years of combined health care experience to meet your needs.

What Patients Are Saying

“ I have been to many OB/GYN offices over the years. And this is the only one where I would say it's like a visit with a friend. ”

“ Dr. Scott is a very personable and a highly skilled OB/GYN physician. I've been a patient for almost 20 years and I consider his team part of my extended family . . . Thank you and your staff for all you do! ”

Services & Procedures

Gynecological Care

Dekalb Women's Specialists provides the full range of gynecologic services.

Obstetrical Care

Prenatal testing, postpartum care, care of high risk pregnancies and more.

Diagnostic Ultrasound, 3D/4D Ultrasound

Allows you to see your baby throughout the pregnancy.

Minimally Invasive Procedures

Our physicians perform total laparoscopic hysterectomies and robotic assisted total laparoscopic hysterectomies using the DaVinci Surgical System. This will result in fewer recovery days, smaller incisions, and less pain.

Medical Weight Loss

Physician- directed weight loss programs that offer B12 and fitness / dietary counseling. This will help you fulfill and maintain your weight loss goals.

The Board Certified Physicians of Dekalb Women's Specialists

Albert Scott, Jr., MD - OB/GYN President and Founder

Dr. Albert Scott, Jr. was born in Mansfield, Ohio. He received a B.S. from Ohio State University and received his medical degree from Case Western Reserve University in Cleveland, Ohio, completing residency training at Henry Ford Medical Center in Detroit, Michigan.

His leadership over the recent years includes President of the Atlanta OB/GYN Society and Chief of the Department of Obstetrics and Gynecology at DeKalb Medical Center. Dr. Scott was chosen as the first African-American Chief of Staff in DeKalb Medical Center's 50-year history.

Dr. Scott enjoys playing golf, hiking, and running. He is the husband of attorney and Practice Liaison, Sabrina Scott, and proud father of Trey and Courtney.

Kathleen S. Johnson, MD - OB/GYN

Dr. Kathleen Johnson received her Bachelor of Science at the University of the Virgin Islands followed by medical school at the University of Connecticut. She received residency training at Vanderbilt University Hospital. She practiced in Tennessee and California before coming to Atlanta to serve the women of this community.

Dr. Johnson is married with three children. She has previously served as Chief of the OB/GYN Department at Dekalb Medical Center. Dr. Johnson is a skilled surgeon and is very passionate about breastfeeding education. She is also conversant in Spanish.

Stacy Reynolds, MD - OB/GYN

Dr. Stacy Reynolds, a proud native of Atlanta, GA, attended undergraduate school at Xavier University of Louisiana. She subsequently entered Morehouse School of Medicine where she completed both medical school as well as OB/GYN residency. Dr. Reynolds was the educational

chief resident at Morehouse School of Medicine during the 2006-2007 academic year. She was also awarded with the Arnold Gold Foundation Excellence in Teaching Award for Obstetrics and Gynecology at Morehouse School of Medicine in 2006. Most recently she was the Chief of Gynecology at Dekalb Medical Center Hillandale. Dr. Reynolds' professional interests include adolescent gynecology and STI prevention.

Caryn Johnson, MD - OB/GYN

Dr. Caryn Johnson was born and raised in Buffalo, New York. She attended Spelman College for her undergraduate studies where she majored in Sociology. After college, Dr. Johnson received a Master of Public Health degree in epidemiology from the University of Illinois at Chicago's School of Public Health. She then returned to her hometown for medical school at the University at Buffalo School of Medicine and Biomedical Sciences. She then continued her medical training in Obstetrics & Gynecology at Duke University Medical Center Residency Program in Durham, North Carolina. Dr. Johnson joined Dekalb Women's Specialists in August 2011.

Board Certified Physician

Trudy Seivwright, MD - OB/GYN

Dr. Trudy Seivwright is a native of Jamaica. She completed her medical school training at the University of the West Indies- Mona Campus. After working in Jamaica for four years, she attended Morehouse School of Medicine where she completed her residency in 2008. During her time at Morehouse,

she was the educational chief resident during the 2007 - 2008 academic year. She also received the Arnold Gold Foundation Excellence in Teaching award in 2005. Her interests are in minimally invasive surgery and preventative health care. Dr. Seivwright is fluent in Spanish, enjoys traveling, reading, and spending time with family.

Certified Nurse Practitioner

Je'Nae Thomas, WHNP-BC

Je'Nae Miller hails from Thomson, GA. She began her undergraduate training at Paine College and completed her Bachelor of Science in Nursing at the former Medical College of Georgia, both of Augusta, GA. She later completed her Master of Science in Nursing and women's health nurse practitioner training at Florida A & M University in Tallahassee, FL. Her professional interests include STD prevention and family planning for young women. Her hobbies include traveling, spending time with family and friends, and outdoor recreational activities.

Certified Nurse Midwives

Olga Mason FNP-C, CNM

Olga Mason has been a native of the Greater-Atlanta area for the last 23 years. In 2010, she graduated Summa Cum Laude with a Bachelor in Science in Nursing from Kennesaw State University.

She then pursued her Master of Science in Nursing at Emory University where she graduated from a dual Family Nurse Practitioner-Certified

Nurse Midwife in order to provide comprehensive and symbiotic patient care.

She is passionate about educating and empowering women to yield the ultimate harmony between mental and physical well-being. Olga is fluent in Russian, enjoys hiking, and spending time with family and friends.

Nicole Camp FNP-C, CNM

Nicole Camp was born and raised in Atlanta, Georgia. She received her Bachelor of Science in Nursing with honors from Emory University. After working in women's health and infant care for a few years, Nicole attended Emory University to attain a Master of Science in Nursing degree. She graduated with a dual MSN from the Certified Nurse Midwife-Family Nurse Practitioner program. Nicole strives to ensure that every patient feels comfortable and satisfied with their care. She is passionate about family planning and empowering women through their birth process. Her hobbies include traveling, reading, and spending time with her family and pets.
