## What patients are saying

“I have been a patient for almost two years, and I have been very pleased with how my treatment has been explained and followed through. I hate that I have to do this, but Piedmont Cancer Institute makes it easier.”

“PCI saved my life! All of the providers are great listeners and will do whatever it takes to provide exceptional quality care.”

“Very professional. Very understanding and sympathetic to your needs. Very knowledgeable, caring. Love the staff. Very friendly.”

## About us

Piedmont Cancer Institute (PCI) is doctor owned and patient driven. As an independent outpatient facility, you can expect the best possible care. We are committed to treating each patient with comprehensive strategies with leading edge cancer therapies in hematology and medical oncology.

## Meet our experts

Our physicians keep themselves abreast of all current treatment modalities through continuing education and research in their specialty.

Our physicians have been trained at many of the best cancer centers in the country, including:

- ✔ *The University of Texas MD Anderson Cancer Center*
- ✔ *Memorial Sloan Kettering Cancer Center*
- ✔ *Winship Cancer Institute at Emory University*
- ✔ *UPMC Hillman Cancer Center*
- ✔ *The Ohio State University Comprehensive Cancer Center*
- ✔ *O'Neal Comprehensive Cancer Center at the University of Alabama at Birmingham*

Collaboration with primary care physicians and other specialists ensure patients receive the best treatment available for their specific condition. The combined experience of doctors, advanced practice providers, and staff, along with our commitment to best practices in the field of oncology make PCI the best choice.
