

OUR SERVICES

An abnormal result from a mammogram or ultrasound can be frightening. At The Breast Center, our team utilizes the latest technology to diagnose the problem and plan each patient's optimal course of care.

Our services include:

- Breast surgeons and certified nurse practitioners perform all breast examinations
- Diagnosis and treatment of all breast diseases
- Immediate interpretation of your mammogram
- Diagnostic breast ultrasounds
- Fine needle aspirations and ultrasound-guided breast biopsies
- Stereotactic-guided breast biopsies
- Placement of devices for Accelerated Partial Breast Irradiation (APBI) Surgery
- Excisional biopsies
- Lumpectomies
- Skin sparing and nipple sparing mastectomies
- Hidden scar options
- Genetic testing

Throughout your treatment and follow up care, The Breast Center will serve as a home base for your breast health - bringing together the resources needed to provide follow up and personalized care.

The Philip Israel *Breast* CENTER

Specialists In Breast Care

WELCOME

Welcome to The Philip Israel Breast Center. Our goal is to treat your breast care needs with a compassionate and caring focus while using cutting-edge technology. Our practice was founded in 1986 by Dr. Philip Israel and was the first facility of its kind in the Southeast. Dr. Israel, Dr. Robbins, Dr. Shroff, Dr. Goodwin, and Dr. Mattison are committed to diagnosing and treating each patient.

At The Philip Israel Breast Center, we provide an integrated multidisciplinary approach to treating your breast health needs and coordinate care with primary care physicians, gynecologists and oncologists. Throughout your treatment and follow-up care, The Philip Israel Breast Center will serve as a home base for your breast health needs.

Board-Certified Surgeons

Certified Nurse Practitioners & Certified Nurse Midwife

Philip Z. Israel, MD, FACS

Dr. Israel is a graduate of Emory University School of Medicine in Atlanta, Georgia where he earned his medical degree in surgery. He is Board Certified and is on active staff at Kennestone Hospital in Marietta and Cobb Hospital in Austell. In 1986, Dr. Israel made the decision to limit his practice to the diagnosis and treatment of breast cancer and established The Breast Center in Marietta.

Angela B. Robbins, MD, FACS

Dr. Robbins received her medical degree and completed her surgical training as well as a year of research at the Medical College of Georgia in Augusta, Georgia. After completion of her surgical training, she remained on staff as Assistant Professor of Surgery. She also has been in private practice as a Board Certified general surgeon.

Paulomi S. Shroff, MD, FACS

Dr. Shroff is a Board Certified surgeon. Her surgical residency took place at the Pennsylvania Hospital in Philadelphia, PA and Abington Memorial Hospital in Abington, PA. Dr. Shroff joined the Breast Center in 2006 where she is a specialist in breast surgery. She is certified in Breast Ultrasound and Stereotactic Biopsy from the American Society of Breast Surgeons. She is Hidden Scar Breast Cancer Surgery certified.

M. Catherine Goodwin, MD, FACS

Dr. Goodwin is a Breast Fellowship trained surgeon who joined the Breast Center in 2011 and specializes in the treatment of benign and malignant breast diseases. She is Board Certified by the American Board of Surgery and certified in Breast Ultrasound and Stereotactic Breast Procedures by the American Society of Breast Surgeons. She is certified in Hidden Scar Surgery for breast conserving surgery and nipple-sparing mastectomies.

Ronald E. Mattison, MD, FACS

Dr. Mattison received his medical degree from the Medical University of South Carolina in Charleston, South Carolina. After completing his general surgery residency in Chattanooga he was in private practice as a general surgeon. For the past 10 years, he has dedicated his practice to the surgery of breast diseases. He joined the Breast Center in 2015 and is Board Certified by the American Board of Surgery.

Becca Ambrose, CNM

Becca is a graduate of Emory University in Atlanta, Georgia, where she earned her bachelor degree in nursing. She also completed a Master of Science in Nursing at Case Western Reserve University in Cleveland, Ohio. Becca is a licensed and certified Nurse Midwife. She has provided care to women and their families for more than 15 years.

Amanda Panchame, NP-C

Amanda graduated cum laude from State University of New York and completed a Master of Science in Nursing from Kennesaw State University in 2004, graduating with honors. As a licensed and certified Family Nurse Practitioner, she has worked at The Philip Israel Breast Center since 2005.

Leah Middendorf, NP-C

Leah is a licensed and certified Family Nurse Practitioner with nursing experience in oncology, cardiology, family practice and pulmonary/critical care. Leah is a graduate of Georgia Baptist College of Nursing of Mercer University, Atlanta, GA. She earned her Master of Science in Nursing at Kennesaw State University.

Natasha Ellis, NP-C

Natasha is a graduate of Adelphi University in New York, NY. She is a licensed and certified Family Nurse Practitioner and has over 11 years of nursing experience in women's healthcare. She completed a Master of Science in Nursing at Walden University in MN.
