# Welcome

We comprise a healthcare team which understands that women have special healthcare needs throughout their lives. Our specialists are trained in the field of women's medicine which includes obstetrical and gynecological services such as pregnancy care, family planning needs and counseling, annual examinations and minor office surgical procedures. In addition, specialized care is available in areas such as high risk pregnancy and gynecological/urogynecological surgery.

Our team consists of the front office staff, our nurses, the billing staff, and our board certified providers, to give you the best possible medical care with state of the art technology. You too are part of this team, and we encourage you to actively participate in all aspects of your care. We hope you will feel comfortable and secure with the treatment you receive. We appreciate your involvement in the decision making process required to ensure your well being.

*"We are pleased that you have chosen our practice for your care. Explore our philosophy and how we work so that we can establish a successful and comfortable physician-patient relationship. You can expect to be treated professionally and courteously at all times."*

**Dr. William T. Cook** received his BS degree in Chemistry with honors from the University of Michigan in 1981. In 1985, he received his medical degree from the University of Michigan as well. In 1989, he completed his residency in Obstetrics and Gynecology at the University of Chicago. He served his last year there as administrative chief resident.

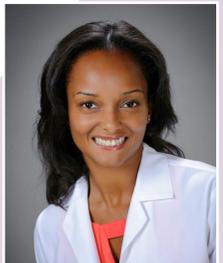

William T. Cook, M.D.

**Dr. Matthew Ralsten** attended the Georgia Institute of Technology for his undergraduate studies. He returned to his home state for medical school at the Marshall University School of Medicine. He completed his training at the Mountain Area Health Education Center, a University of North Carolina at Chapel Hill community program, and West Virginia University.

Matthew Ralsten, M.D.

**Dr. Marlo Carter** graduated from Spelman College in Atlanta, GA where she obtained a degree in Biology. She attended Mercer University in Macon, GA for medical school where she developed a strong interest in women's health. She then went on to train in obstetrics and gynecology at Emory University where she was awarded for her accomplishments in minimally invasive surgery.

Marlo Carter, M.D.

**Dr. Tanya Beckford**, a native of Long Island, NY, attended the Honors College at SUNY at Stony Brook and continued her studies at Upstate Medical University in Syracuse, NY. After her residency, she served as an assistant clinical professor at that Institution.

Tanya Beckford, M.D.

**Dr. Charlene Emmanuel** was born and raised in Queens, New York and completed her residency training in Obstetrics and Gynecology at Emory University in Atlanta. She received her B.A. degree in anthropology with honors from Yale University and her medical degree from the University of Rochester.

Charlene Emmanuel, M.D.
